

TERMS/CONDITIONS OF SALE

PAYMENT TERMS: 40% deposit required when ordering, BALANCE DUE 3 DAYS PRIOR TO INSTALLATION. Cheques must be cleared before installation can be booked/blinds picked up.

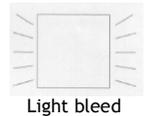

CANCELLATIONS: Please choose carefully as cancellations will not be accepted after deposit is paid.

FABRIC WAVE: Roller Blinds between 2000 and 3000mm wide may show fabric wavering due to the large width. This is a characteristic we are unable to rectify as its impossible to make a large piece of fabric hang perfectly flat.

FABRIC PATTERNS: Patterns cannot be guaranteed to line up perfectly with horizontal or vertical edges of the blind. Variation up to a few centimeters along the pattern direction from one side of the blind to the other is an acceptable industry standard.

LIGHT BLEED: All Roller blinds will allow light to pass around the sides and top of the blind, including blackout fabrics. This is due to necessary allowances required for mechanisms and brackets.

COLOUR VARIATIONS: Samples shown are only a guide. Colours and textures may vary due to differences between production runs. Colour matching to previous deliveries or sample swatches cannot be guaranteed

CUPPING: Roller Blinds will often show some cupping on each of the vertical edges. Cupping up to a few centimeters is an acceptable allowance within industry standards.

ACCEPTABLE STANDARD: The acceptable standard for imperfections, marks, dots etc. on the final job is - if it is visible with the naked eye, in natural daylight, at a distance of 1.2 metres, it is not acceptable. If it is not visible with the naked eye, in natural daylight, at a distance of 1.2 metres, it is acceptable. With timber, small knots and/or grain pattern are never considered to be imperfections, as they are a natural part of timber.

OWNERSHIP OF GOODS: Ownership of goods covered by this invoice does not pass from this company until such time as this invoice is paid in full and also allows our company to repossess goods at any given time if not paid according to our specified terms.

WARRANTY: Dial-A-Blind provides a 1 year warranty on blinds and installation. Blinds not installed by Dial-A-Blind must be returned to Dial-A-Blind for any warranty claims or a service call fee will be charged.

EXISTING COVERINGS: All existing blinds, coverings and brackets must be removed prior to installation date or an additional fee will apply.

ORDERS ON HOLD: Orders can be held in storage for a maximum 3 month period. During this time the buyer will be required to make three equal monthly instalments equivalent to the order balance. Orders must be collected/installed within 6 months from order date.
